

I LOVE READING

I see all of the beautifully lined books on the shelf as I pick out one of my favourite Whatever After books to read.

I hear the gentle sound of the pages turning in my book as I am eager to find out what will happen next.

I smell the delicious cake being baked on Ella's birthday in my Ella Diaries book.

I feel the smooth pages of my book when I'm turning the page of another Tracey Lacey adventure.

I taste the treats that Claudia is giving out to the members of the Babysitters Club.

I think reading is the best thing to do in the whole wide world!
