**HELPING CHILDREN LEARN BY THINKING
LIKE A TEACHER**

In this webinar, parents will be supported to understand how they can have a positive influence on their children's learning at home by adopting strategies that teachers use in their classrooms such as:

- Communicating with openness and consistency to build credibility
- Celebrating mistakes as opportunities to learn
- Encouraging children to motivate themselves rather than using rewards and consequences
- Using questioning techniques to encourage creative thinking and develop literacy skills
- Building healthy attitudes towards maths by helping children recognise patterns and make connections.

Presenter Andy Parthenopoulos is a Master's educated Victorian-based primary school teacher. Since graduating with a Master's of Teaching in 2015, he has mentored four early-career teachers and focused on fostering meaningful connections between the home and school. SUPPORT OUR BOOK DELIVERY SERVICE

WE READ TO KNOW WE ARE NOT ALONE

Help us continue our free book deliveries and outreach services to community in need.

During this pandemic, we've all experienced what it's like to be isolated – we've known fear, boredom and loneliness. Imagine however if this was your daily life even without the threat of COVID-19.

For many people in our community, this is what life is always like. Sadly, in Casey Cardinia, there are many older or vulnerable people who are unable to leave their homes. Worse, they may be unable to afford internet, e-readers and computers to help the time pass and connect to others. With your support, these people can feel less alone.

\$30 will provide 3 deliveries to someone unable to leave their house.

\$50 will provide 5 deliveries to an isolated older person.

\$100 will enable the library to delivery a digital program to help people connect to new ideas and each other.

\$500 will allow the library to lend a PC or laptop to a person in need for 6 months.

At Casey Cardinia Libraries, we use the GiveEasy platform so your donations are secure. We will also send a receipt straight to your email. All donations over \$2 are tax-deductible. Donate using Credit Card, PayPal or call us on 1800 577 548 and we can help you over the phone.

We also have some great listening over the break with our Summer Series where you get a chance to catch up on our best In Conversation chats over the year with Maya Linnell, Katherine Firkin, Barbara Hannay & Monica McInerney. And as always we have some great book reviews from our wonderful staff at the Library.
